Weston High School

"Begin with the End in Mind"

-Stephen Covey

Every senior at Weston High has been affected by their time spent here. Whether it is the people we meet, or the accomplishments we achieve, our experiences at Weston have help us build our individual foundations, piece by piece. With Panorama 2007, we wanted to remind seniors to begin their future journeys with a fresh outlook, while keeping in mind their roots in Weston High.

Dedicated
in honor of

Harry Burns

On behalf of the Class of 2007, we would like to dedicate this yearbook to Harry Burns.

Harry will always be remembered as a part of the Class of 2007. Harry's upbeat and positive attitude during his battle with cancer taught us all how to live with adversity. Harry was always a person who could brighten up your day. He always showed his passion and joy in everything he did especially his true love and favorite sport, football. Harry was a devoted son, brother, friend and classmate.

Gus, you are a creative genius, a man's man. Chester, your work is serious business, I hope you get serious in college. Gab, your work ethic is astounding. OH HEY NADER. Matt, toot. Madeline and Steve, thanks for showing me how to survive High School without anyone else to protect me. Mom and Dad, thanks for always giving me those rides to practice, whether it was hockey or swimming, it didn't matter to you guys, you were always supportive. Thanks to the swim team for really getting me into something that I could be devoted to. I don't think there is anything I have ever been so dedicated to as the swim team. Angela, we have had so many great memories that I will never forget, you have shown me so much about life. Thanks.

To all the people who I will miss laughing with: The only things I hate most to leave behind are all the people I've had an incredibly hysterical time with. I'm going to miss it all.
And of course I will mention my best AZnfriend4eva Renita, who I never knew I could become such fast friends with.
Susan cause she's the funniest person I've ever been forced to give a massage to (I really don't get paid - one time she gave me a piece of gum) Nikki we'll never finish our ugliest person contest
To Angela my sister who has looked after me no matter how much she has resented it: Thank You. I never said thank you for taking care of me and I promise that one day I'll grow up.
To everyone that is hard as $#@&! to fit into these small lines I'll miss you all.

I decided I was not going to mention any individual people because
a) I could potentially run out of space
b) I would feel bad if I left someone out
c) I would feel stupid if I had someone in that didn't have me in.

So thanks to all my friends (who should know who they are, if not, I'm sorry) who have helped me enjoy life. Thanks to my family (they definitely know who they ar e) who have helped me get through life. I love you mom, dad, James, Lisa. Thanks to teachers/faculty. It's been fun, everybody.

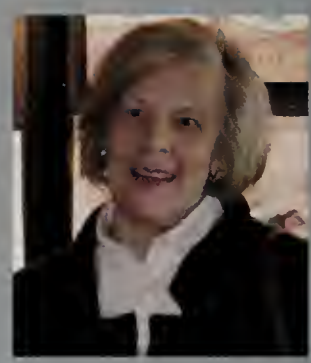
Yearbook

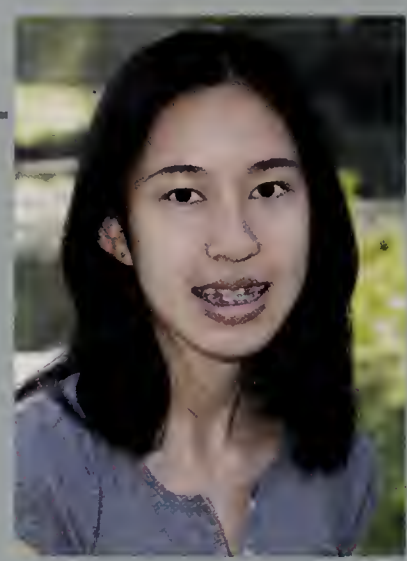
Mrs. Nick
Advisor

The Yearbook Staff and I sincerely hope that you will enjoy Parnorama 2007. It is always a tremendous challenge to publish the yearbook and everyone has struggled to make this book one everyone will remember with great pride. I thank the staff for their effort and congratulate them on a successful outcome.
Thank you, Mrs. Nickeson



Cecillia Lui,
Editor in Chief

Baillie Yip
Assistant Editor



Carolyn Luk
Assistant Editor

Editors-in-Chief

We would like to thank all the editors and staff who helped prepare the yearbook this year. We also hope that everyone enjoys Panorama 2007.

Junior Editor

Annie Maietta

We were fortunate to have Annie Maietta as our Junior Editor. Thank you so much for jumping on board when we most needed someone to help to finish the senior section and the sports section.

Photography Editor

Bobby Sergi

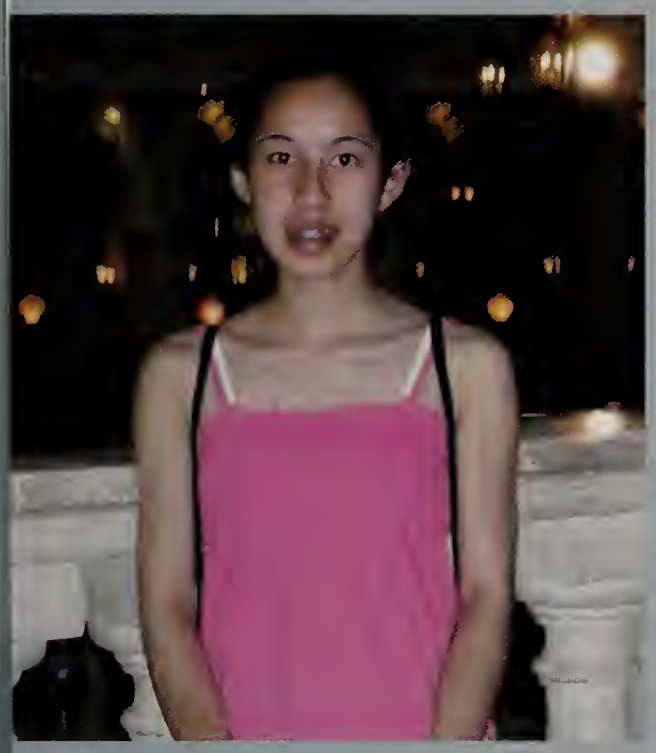
Bobby has worked as a photographer on the yearbook staff for a number of years. You have viewed many of his suberb pictures in our yearbooks each year. Thank you for your help, Bobby!

Faculty Section Editor
Alan Yee

Alan volunteered his services to the yearbook for the first time this year. He single-handedly tackled the Faculty Section--with first-rate results. His dedication and reliability were greatly appreciated. Thank you, Alan!

Web Page/Computer
James Constantini

Thanks to James for designing the Yearbook Web Page and for keeping it up to date. We'll be depending on him to do the same next year.



Senior Section

Carolyn Luk has spent hours and hours proofreading quotes and contacting seniors for the senior section. We would like to thank her for making sure all the quotes and baby pictures are perfect.

Sports Section and Underclass Editors

Margot Connolly and Maddie Kettle have put in tremendous efforts this year to make the sports section an action packed narrative. We thank you for your perseverance and willingness to work whenever called upon.

Activities Section Editors

Kelsey Nickerson and Whitney Trook quickly learned that doing the Activity Section was a time consuming job. Just think of all the clubs and groups they needed to get pictures from. Thanks for all the hard work!

Underclass Section and Sports Section Staff

Suzanne Freedberg, Stephanie Meyer, Alexandra Rogatkin, and Stephanie Von Csiky-Sessoms.

These four freshmen staff members deserve a lot of credit. They helped in numerous ways while preparing the 2007 yearbook. They worked on both the Underclass section and Fall Sports section, and made themselves available in any number of ways. Thank you!

Underclass Section Editor

Jillian Mizner, as one of the Underclass Section editors last year, knew the "ins and outs" of yearbook and, with the help of the staff members on the left, created a great section. Thanks!

Theme and Cover Assistant

Alejandro Lazo assisted the Editorial Editors in choosing and developing the theme of the book and the cover art. Thanks for helping.

We're so glad that we've got you in our family. We were overjoyed the day you arrived and have loved watching you become "Andrew." You are the best son and the best "braver".

We love you, Mom, Dad & Chris

Dear Caroline,

We hope the days come easy and the moments pass slow,
and each road leads you where you want to go, and if you're faced with a choice,
and you have to choose, we hope you choose the one that means the most to you.
But more than anything, our wish for you is that this life becomes all
that you want it to, that your dreams stay big, your worries stay small,
that you never need to carry more than you can hold,
and while you're out there getting where you're getting to,
we hope you always know that somebody loves you,
and wants the same things, too.

Love, Mom, Dad and Peter with thanks and apologies to Rascal Flatts

Congratulations on your spectacular accomplishments. We are all very proud of you. As you set out on the next stage of your life, remember to always pursue it with; passion, curiosity, insight, and humor. Always do your best, be proud of who you are and do try to make a difference. We are all here for you with much love and admiration.

Pamela

You are undeniably a beautiful. talented, witty,
and caring daughter who lights up our lives.
How proud we are to call you ours!
We love you forever
Dad, Mom, Elizabeth, Carolyn, and Robert

The times I have spent with you have been awesome. I will always remember our silent, intellectual conversations in the morning on our way to school, our arguments over which one of us is taller, and our debates over who is more attractive. I know I have never openly admitted this, but you are, thankfully, better looking than me! You are smart, hilarious, and in much better shape, too (I think I improved my half-mile time to match your two-mile). I'll miss you next year and I hope you have a fantastic year at college.
Love, Robert
P.S. I'm expecting you to drive me around when you come back on breaks, especially to school!

Every once in a great while, a person comes into the world graced with happy feet AND a beautiful heartsong. Our journey together began with a beautiful baby girl who couldn't have possibly known the love, joy, laughter, pride and privilege of parenting she was bestowing upon us. Your happy feet may bring you all over the world, but it is your heartsong that tells your story. You are a kind, caring, bright, hopeful, beautiful, determined young woman who can't help but make the world a better, brighter place. You are a tremendous daughter, sister and friend. May your happy feet always be moving you forward, may your heartsong always be loud and clear.

Graduation is a time

Graduation is a time for feeling proud,
For thinking lots of lovely thoughts and saying them out loud.

It's a time for feeling love about to overflow,
And just before it leaps its bank, to let the loved one know.

We are so very proud of you for being who you are,
For making something of yourself, for making it this far.

We're proud because we are a part of everything you do.
This time's the time to say how much in love we are with you.

Dearest Becky - When Lee Ann Womack's song was first released we instantly thought of you. You've always been quick to realize when the *going gets tough, the tough go dancing*! For you, this metaphor fits like a glass slipper. Through all the years, you've discovered *how life is a dance, from stage to the next*, be it WDW, WHS, WMS, WFS, PSTW, NBSB, WDE, ATJ, BCD, JMBT, FPC, NANS, GS, RDC, or PH&C - each with the proper footwear. *Dancing with the feet is one thing, but dancing with the heart is another.* You well know *you can't make a pointe if you don't understand the details.* Certainly with your poise, patience, grace, smarts, sensitivity, and caring heart you'll find that *it's not the turning that is hard in pirouettes, it's that you gotta keep on doing it.* We hope you continue to believe that *dance came from the people and that it should always be delivered back to the people* -- keep on choreographing and sharing your gift, your passion, and your joy. *Dance for yourself, if someone understands good. If not - then no matter, go right on doing what you love.* Most of all realize, that often *dancers keep looking for the perfect teacher without realizing that it's all there within themselves. You teach yourself; your teacher is a guide. If you do not hear the advice, corrections or words of your guide, it makes no difference how great the teacher.* Remember, *there's no place like home. . . So on with the dance! Let joy be unconfined.* And when you get the choice to sit it out or dance - We hope you dance... BRAVO We're all so proud of you! **Luv - Mommy, Daddy, Molly, Nana, Grandpa Guy, & Grandpa Mason**

BECKY DILLAWAY

There is no better friend than a sister. And there is no better sister than you. For in the cookies of life, sisters are the chocolate chips. Let us read and let us dance -- two amusements that will never do any harm to the world. But anyone who says sunshine brings happiness has never danced in the rain (elephants ala Gene Kelly & BBB at WDW-WMS. M & L at WSH). Sister to sister we will always be, a couple of nuts off the family tree. So as Irving Berlin says: Let's face the music and dance! To tap or not to tap? ... silly question! And remember. you're never fully dressed without a smile ... so smile, darn ya, smile!

Congratulations with love, Molly:) 2011

"All I could see were his eyes and yet I knew he
was smiling (Your first grade teacher)
And so now are we
Always living to the beat of your own drum
Your incredible spirit brings you running down the stairs
We greet you with pride and hugs
This same spirit brings you dancing down the halls of
school
They tell you to slow down, keep it quiet
You respond with laughter and smiles
They shake their heads and send you on your way
Travis, KEEP THEM SHAKING THEIR HEADS!!
For this is the spirit we could not live without, this
is...TRAV!
Remember, you really made them laugh inside,
Sharing your love of each and every day with friends and
strangers alike
Believe in the incredible power
Of the human mind
Of doing something that makes a difference
Of working hard
Of laughing and hoping
Of lasting friends
Of all the things that will cross your path
Next year
The start of something new
Brings the hope of something great
Anything is possible
There is only one you
And you will pass this way but once
Do it right
Scars heal, glory fades,
All that's left are the memories made

Travis, our love and pride for you grows every day,...
"and you can do whatever you want!!!!!"

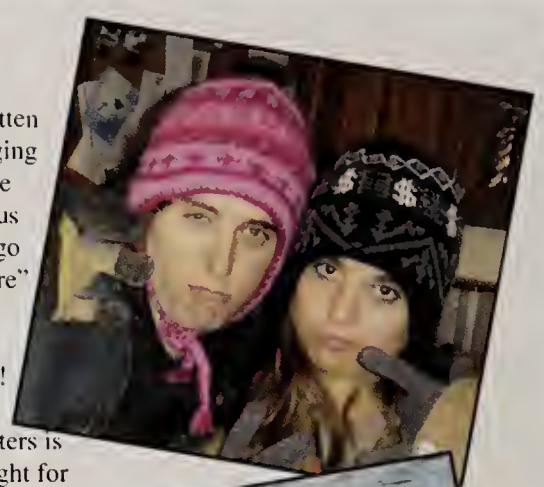
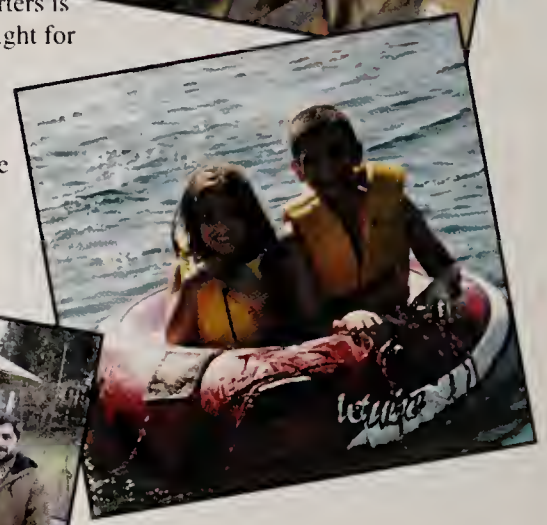
Katie Bazaz



Congratulations budda! We are very proud of you for all the areas you have gotten involved in during your school years - theatre, chorus, band, athletics, challenging courses and service. We wish you much success and happiness in your future endeavors and we are always here to help you however we can. Your tenacious spirit will take you where you want to go. Remember friends will come and go but family will stick by you forever. Love, hugs and kisses. "Katie, Come'mere" "How 'bout it? "You, Me, You, Me" Just remember: keep your head on a swivel, no matter how angry you get I'll be angrier, dominating requires respect and dropping our last name Bazaz, and don't forget to bring a towel! (insert towly here). Bite Size Bazaz, I just measured your height with two yard sticks and it's true, you're not even five feet tall! Four eleven and three quarters is no way to live your life, now go out into the world and gain that extra 1/4 inch, fight for it if you have to. There's so much to see over those fences, a whole world past the steering wheel of white ligntening. All you need in life is a little ambition and a pair of roller skates, go get'em Tiger, or rather, a grossly oversized house cat, either way the world is in the palm of your tiny widdle hand, don't drop it or else we're all dead.



MADISON
CONGRATULATIONS!
